

# 1-Step Surface Care Technology.

**Keeps Surfaces Sanitary!**

## 1. CLEANS

99.9% of organic soil with each spray cleaner use. Cleanser removes 99.9% of organic & inorganic soil with each use.

## 2. SHIELDS

Surfaces with an antimicrobial-resistant water, soil & stain repellent barrier coating that reduces the adhesion & build-up of dirt & grime for easier next-time cleaning... and

## 3. PROTECTS

Surfaces against the growth of odor-causing bacteria, mold & mildew in-between cleaning.

**The only products that clean today and protect tomorrow!**
