

SANI-SCRUB® 3-in-1 Surface Cleanser 18 FL. OZ. (532 ml)

SANI SCRUB removes buildup of hard water minerals, rust, dirt, grime & stains without scratching or dulling the surface of glass, porcelain, ceramics, stainless steel, chrome, laminates, marble & granite. It simultaneously shields surfaces against the adhesion & buildup of organic & inorganic soil for easier next-time cleaning with Sani-Shield and other spray cleaners.

It also provides an invisible microbe-resistant barrier coating on which odor-causing bacteria, mold and mildew will not grow in-between regular cleaning.

U.S. Patent 7,704,313 - Int'l. Patents Pending

PROPERTIES

- Active Ingredients: Aluminum Oxide, Soap & Organosilane Quaternaries
- Flash Point: None (water-based)
- Odor: Pleasant Fragrance
